Roll 1125 including a Sixth Form of 260

**Required for September 2008**

**Headteacher**

**Group 7 (ISR 31 – 37)**

Devonport High School for Boys is a grammar school with specialist status in Engineering and Languages. We are recruiting a new leader to replace our current Head, who retires at the end of the school year.

Our pupils (which include some girls in the Sixth Form) are from a wide range of backgrounds in Plymouth, West Devon and Cornwall. Plymouth is a vibrant waterfront city, with a growing and thriving new university, surrounded by a stunning and inspiring environment.

The post provides a great opportunity to build on the strong foundations in place, to continue to develop the central role of the school in education in the city, and work closely in collaboration with other schools. We are looking for someone the staff and pupils can like and respect. It's not your experience that matters, but what you will bring to the job.

If you would like to see around the school, you are very welcome. Please contact Sarah Nicholson to arrange.

Further details and application packs are available on our website [www.dhsb.org](http://www.dhsb.org)

Closing date: 18 February 2008 at 9.00 am
